Heritage®

Hardwood Shutters

Warm. Sophisticated. Enduring.

Heritage® Hardwood Shutters* embody the natural beauty that is genuine hardwood. Backing these good looks are durable construction and the lustrous Integra™ finish, which uses multiple coats to produce a finish that lasts and lasts. Plus, Heritage shutters are available in a vast selection of frame choices, specialty shapes and louver sizes, and a range of timeless paints and stains, including a custom color option. Now that's an investment in style.

Heritage®
Handcrafted Series

Artistic. Natural. Stylish.

Guaranteed to catch your eye, these genuine hardwood shutters from the Heritage® Handcrafted Series* boast a style all their own. The color and character of the wood are uniquely accented by using innovative, designer finishing techniques found in today's high-end wood floors, cabinetry and furniture. Choose from six techniques: Glazed, Glazed & Burnished, Classic Distressed, Heirloom Distressed, Rustic or Textured, or combine techniques for a truly unique look. Designed by nature's hand. Artistically finished by ours.

NewStyle®
Hybrid Shutters

Fashionable. Superior Strength. Lasting Value.

Blend the strength and straightness of man-made materials with the natural style of wood, and you get a shutter that's both practical and beautiful. NewStyle® Hybrid Shutters are crafted in just this way. And with the Finetech® finish, you enjoy the look of real wood with a micro-smooth, low-luster finish to complement what's trending in today's décor. Choose from five classic solids and four UltraGrain™ finishes that replicate the color and pattern of real wood.

Palm Beach™

Polysatin™ Shutters

Innovative. Reliable. Indestructible Style.

Discover the beauty of durability. Palm Beach™ Polysatin™ Shutters are guaranteed to never warp, crack, fade, chip, peel or discolor—even under the toughest conditions. Made from an advanced polysatin compound, these shutters also feature the look of a finely painted shutter thanks to the DuraLux™ finish. Durability now comes with gorgeous style.

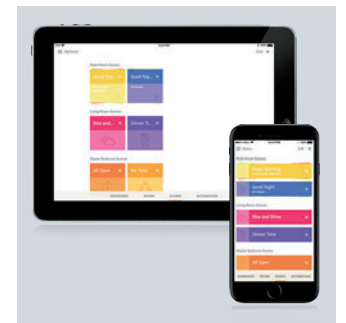

PowerView®

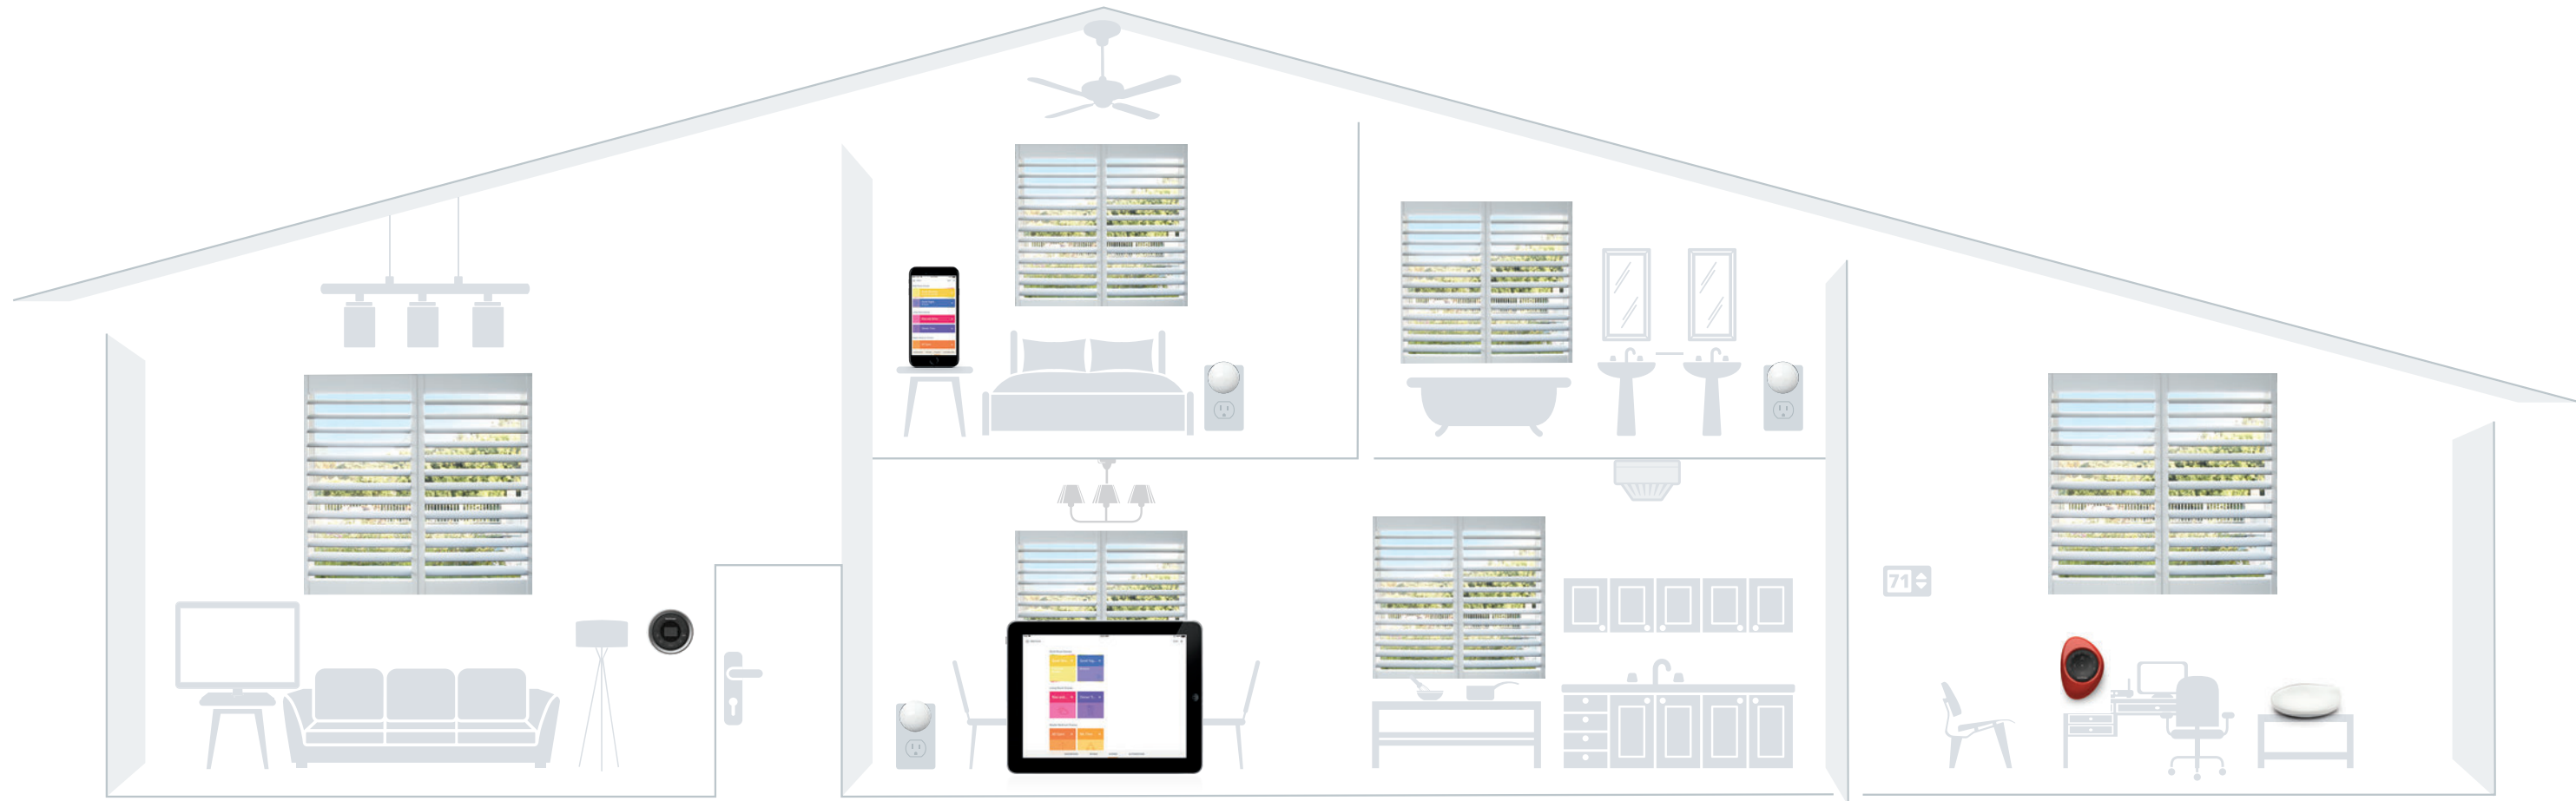

Motorization

Motorized. Convenient. Precise Control.

PowerView® Motorization is perfect for hands-free louver operation, especially for hard-to-reach windows. Motorized shutters work with PowerView accessories, including the Pebble® Remote, PowerView® Hub and PowerView® App. When used with the PowerView App, your shutters can be automated to operate on a schedule you set, and can even be operated remotely. Complete privacy and light control at the touch of a button.

Smart Connections Beyond the Window.

Today's connected home is more advanced, and easier to control, than ever before. With PowerView® Motorization, your home's shutters are part of this convenient technology, delivering the connected lifestyle you demand—right from the smart devices you use every day.

Please be sure to visit the PowerView® Compatibility page at hunterdouglas.com for the latest information on compatible systems and devices.

The PowerView® App is available on Apple® iOS and Android™ mobile devices, and requires the PowerView® Hub for operation.
